

Science Teaching Position (combination biology and chemistry)

Cheshire Academy seeks a full-time Science teacher for the upcoming 2019-20 academic year.

The successful candidate will be able to provide quality instruction in various levels and disciplines of science. Ability to teach a combination of at least two or more sciences (biology, environmental science, and chemistry) is preferred. Candidates who have a dynamic presence in the classroom, an innovative and open approach to curriculum design, a collaborative approach to teaching, and who incorporate new technologies are strongly encouraged to apply. Interest in or experience with IB science is a plus.

Minimally, this candidate will have a Bachelor of Science in either biology or chemistry. A Master's degree, teaching credentials, and/or relevant teaching experience are preferred.

Other responsibilities include:

- Advising;
- Coaching and/or leading extra-curricular activities;
- Weekend team responsibilities; Residential duties (if housing provided.)
- Must have a valid driver's license with the ability to obtain an CT "A" endorsement for purposes of transporting students.

School provided housing is not available for academic year 2019-2020.

Salary and benefits are competitive. Candidate must be able to pass a criminal background check. School housing is not guaranteed. Interested candidates should send a cover letter, resume, and the names of three professional references to Kristin Welage, Director of Human Resources at kristin.welage@cheshireacademy.org.
